On the expiration or termination of the Agreement, the Receiving Party shall promptly return to the Disclosing Party all copies, whether in written, electronic, or other form or media, of the Disclosing Party's Confidential Information, or destroy all such copies and certify in writing to the Disclosing Party that such Confidential Information has been destroyed. - 13.2. Public Announcements.** Qorvo shall have the right to issue or release an announcement, statement, press release, or other publicity or marketing materials relating to this Agreement (each, a "**Public Announcement**"), provided, however, that OEM shall have a reasonable opportunity to review and object to such a Public Announcement. In the event of any inconsistency between the statements made in the body of this Agreement and any other documents incorporated herein by reference, the following order of precedence governs: (a) first, this Agreement; and (b) second, any other documents incorporated herein by reference. Notwithstanding the foregoing, the terms and conditions in this Agreement prevail over any and all additional or differing terms and conditions with respect of the subject matter of this Agreement, including any such terms and conditions provided by OEM (“**OEM Terms**”), regardless of where OEM has submitted or proposed such OEM Terms. Qorvo’s performance under this Agreement does not constitute acceptance of any of the OEM Terms and the OEM Terms do not serve to modify or amend this Agreement. All OEM Terms will be of no force or effect and are rejected by Qorvo in their entirety.

Assignment.** OEM shall not assign or otherwise transfer any of its rights, or delegate or otherwise transfer any of its obligations or performance, under this Agreement, in each case whether voluntarily, involuntarily, by operation of law, or otherwise, without Qorvo’s prior written consent. For purposes of the preceding sentence, and without limiting its generality, any merger, consolidation, or reorganization involving OEM (regardless of whether OEM is a surviving or disappearing entity) will be deemed to be a transfer of rights, obligations, or performance under this Agreement for which Qorvo’s prior written consent is required. No delegation or other transfer will relieve OEM of any of its obligations or performance under this

Agreement. Any purported assignment, delegation, or transfer in violation of this Section 13.8 is void. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective permitted successors and assigns.

- 13.9. Force Majeure.** In no event will either party be liable or responsible to the other party, or be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement, when and to the extent such failure or delay is caused by any circumstances beyond such party's reasonable control (a "**Force Majeure Event**"). In the event of any failure or delay caused by a Force Majeure Event, the affected party will give prompt written notice to the other party stating the period of time the occurrence is expected to continue and use commercially reasonable efforts to end the failure or delay and minimize the effects of such Force Majeure Event.
- 13.10. No Third-Party Beneficiaries.** This Agreement is for the sole benefit of the parties hereto and their respective permitted successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit, or remedy of any nature whatsoever, under or by reason of this Agreement.

Amendment and Modification; Waiver.** No amendment to or modification of or rescission, termination, or discharge of this Agreement is effective unless it is in writing, identified as an amendment to or rescission, termination, or discharge of this Agreement and signed by an authorized Representative of each party. No waiver by any party of any of the provisions hereof is effective unless explicitly set forth in writing and signed by the party so waiving. Except as otherwise set forth in this Agreement, no failure to exercise, or delay in exercising, any rights, remedy, power, or privilege arising from this Agreement will operate or be construed as a waiver thereof; nor will any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.
- 13.12. Severability.** If any provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability will not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. On such determination that any term or other provision is invalid, illegal, or unenforceable, the parties hereto shall negotiate in good faith to modify this Agreement so as to affect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.
- 13.13. Governing Law; Submission to Jurisdiction.** This Agreement is governed by and construed in accordance with the internal Laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule that would require or permit the application of the laws of any jurisdiction other than those of the State of Delaware. Any legal Action arising out of or related to this Agreement or the licenses granted hereunder will be instituted exclusively in the federal courts of the United States or the courts of the State of Delaware in each case located in Wilmington and New Castle County, and each party irrevocably submits to the exclusive jurisdiction of such courts in any such Action. Service of process, summons, notice, or other document by mail to such party's address set forth herein will be effective service of process for any Action brought in any such court.
- 13.14. Equitable Relief.** Each party acknowledges and agrees that a breach or threatened breach by such party of any of its obligations under Section 7 or, in the case of OEM, OEM's obligations under Section 4, Section 5, or Section 8, would cause the other party irreparable harm for which monetary damages would not be an adequate remedy and agrees that, in the event of such breach or threatened breach, the other party will be entitled to equitable relief, including a restraining order, an injunction, specific performance, and any other relief that may be available from any court, without any requirement to post a bond or other security, or to prove actual damages or that monetary damages are not an adequate remedy. Such remedies are not exclusive and are in addition to all other remedies that may be available at law, in equity, or otherwise.

13.15. Attorneys' Fees. In the event that any Action is instituted or commenced by either party hereto against the other party arising out of or related to this Agreement, the prevailing party shall be entitled to recover its reasonable attorneys' fees and court costs from the non-prevailing party.
