

Appendix C – U.S. Government Terms and Conditions

These supplemental U.S. Government Terms and Conditions (“**USG Terms and Conditions**”) shall apply to the purchase of Product(s) and/or Services that are in support of a U. S. Government contract, at any tier, and the federal statutes, regulations, and directives that apply to such U.S. Government contracts. Where there is a conflict between the Standard+ Terms and Conditions and these USG Terms and Conditions, these USG Terms and Conditions shall govern. Capitalized terms not otherwise defined herein shall have the same meaning as in the Standard+ Terms and Conditions and/or the FAR or DFARS.

1. The clauses listed below are incorporated by reference herein and in this Agreement, as applicable, with the same force and effect as if they were given full text and notwithstanding the requirements of FAR 52.102. If there is a conflict with or addition to a clause in effect on the Order date and a clause of the Prime Contract, the Prime Contract clause shall govern. The full text of these clauses can be accessed on the Internet at <https://www.acquisition.gov>.
2. The clauses listed below may require the submission of certifications and representations. When requested by Qorvo, Supplier shall furnish any certification or representation that Qorvo determines is necessary for compliance with such requirements.
3. Whenever necessary to make the context of the clauses applicable to this Agreement, the terms:
 - a. "**Contractor**" or "**Prime Contractor**" shall mean "Supplier" or "Seller,"
 - b. "**Contract**" shall mean this Order,
 - c. "**Government**" shall mean "Qorvo" or "Buyer,"
 - d. "**Contracting Officer**" shall mean "Qorvo's or Buyer's Sourcing/Purchasing Representative."
4. The term "**FAR**" means the Federal Acquisition Regulation and the term "**DFARS**" means the Department of Defense Supplement to the Federal Acquisition Regulation as in effect on the date of this Agreement.
5. Supplier agrees to flow-down, as required, all applicable FAR and DFARS clauses to its lower-tier suppliers. Supplier further agrees that all notifications and other communications required by such clauses shall be made through the Qorvo's or Buyer's Sourcing/Purchasing Representative unless this Agreement specifically provides otherwise. During the performance of this Agreement, Qorvo shall reserve the right at any time to change/amend/update any clause in these USG Terms and Conditions.
6. Clauses marked with a "CI" in the column below titled Applicability, are applicable only when Supplier is furnishing Goods or Products or Services that qualify as a "commercial item" under FAR 2.101. Upon request, Supplier shall provide relevant documentation to support Supplier's assertion that the Products or Services satisfy the definition of "commercial items" under FAR 2.101 as necessary for Qorvo to satisfy its contractual obligations as they relate to this Agreement.
7. Purchases below the Simplified Acquisition Threshold as defined in FAR Part 2 are not subject to the clauses marked "SA" below in the column titled Applicability. Suppliers of noncommercial items agree to additional clauses in Qorvo's higher tier contract.
